Quodemos

FACT SHEET

Quo, demos?

Where are you going, democracy?

Quodemos is a free app with short episodes to swipe: how democracies fell and where they held. No account, no ads, every card with its source.

WHAT	A free app with short episodes to swipe about democracy: how it fell and where it held.
SCOPE	58 episodes (27 Fallen, 4 Myths, 14 Held, 13 short episodes on the 13 warning signs), 1,381 cards, 525 minutes in total.
SOURCES	1,374 of 1,381 cards cite a source, 746 different sources: V-Dem, BTI, court rulings, parliamentary minutes, law gazettes, research.
LANGUAGES	English and German, every episode narrated.
FOR WHOM	Recommended for ages 14 and up: teenagers and adults who follow politics; teachers, clubs, creators.
PRICE	Free, for good. No in-app purchases, no ads.
DATA	No account, no tracking cookies, no profiles. Progress stays on the device.
WHERE	In the browser at quodemos.app (also momentlume.com/app), installable as an app.
STANCE	Mechanisms, not parties. Beutelsbach Consensus. Not a campaign tool.
CHARACTERS	32 fictional characters; real people appear only in text, with a source, never as an image.
BEHIND IT	Momentlume, a brand of Teachlume GmbH, Berlin.

HOW TO SHOW QUODEMOS

Quodemos follows the Beutelsbach Consensus: do not overwhelm, present contested issues as contested, offer ways to act rather than demand them. Please credit Quodemos, for example “Image: Quodemos (Momentlume)”, and link quodemos.app where possible.

Numbers counted in the app’s published catalogue on 2 November 2026. Fictional characters, no real people.

Quodemos is a series by Momentlume, a brand of Teachlume GmbH · Friedrichstraße 155 · 10117 Berlin, Germany · Amtsgericht Charlottenburg (Berlin), HRB 293037 B · kontakt@momentlume.com
